Please examine the housing options for **SINGLE** rooms and make your choice on the registration form.

- The **APARTMENTS** are buildings, each building has several housing units; each unit has four SINGLE rooms with common area, kitchen, and toilet / shower area. Great for friends or family groups. STAIR ACCESS ONLY!
- The **DORMITORY** is a traditional dorm configuration with 70 double rooms and 10 SINGLE rooms with rest rooms and showers "down the hall". Depending on room demand, single members may be assigned a two-bed room for themself. Ground floor access to some rooms and elevators and stairways for upper floors in the dormitory.
- Our meals will be in the CAFETERIA second floor with stairway and elevator access.
- Meetings and workshops will be held in SCIENCE CENTER classrooms and lecture hall.
- Bicycle Games and Swap Meet will be conducted in ATHLETIC AREA
- Self-contained RVs & campers will be located on campus with only electrical service.
